Corestone Keeps You in Control

Corestone lets you keep all your financial assets in one place, while allowing you to track your spending, write checks, make purchases on the go or get cash when you need it.

Manage All Your Daily Transactions in One Place

Corestone makes it easy to deposit, move and access your money. You can establish secure, convenient direct deposit from your paycheck, Social Security, pension, IRA distribution or other sources of income. You can access cash any time through ATMs around the world, including free transactions at 8,000 PNC Bank ATMs and over 43,000 Allpoint® network ATMs.² Pay for your purchases on the go with a Silver Plus, Gold or Platinum Visa debit card. You can also use EasyPay™ to transfer outside funds at any time by telephone from other checking accounts to pay bills or purchase securities using Corestone.

Keep Every Dollar Working Hard for You

Corestone works automatically to help you earn more from your idle cash. Each day, the uninvested cash in your portfolio is swept automatically into your choice of sweep accounts. To help capture the full return potential of your equity investments, Gold and Platinum members can also have dividends automatically reinvested in the same securities at no added cost.

Gain a New Perspective on Your Finances

Corestone offers you a complete view of your cash, investments, income and spending in a single account. This way, you can easily track your activity and see your financial picture at a glance. You can see how much your money has earned, what your investments are worth and where your money has been spent.

Gold and Platinum account holders can see enhanced cost basis reports for their investments, as well as expenses sorted by category on monthly statements and year-end summaries. You can save time and streamline your paperwork with online account access and e-delivery for your statements.

Through the SelectLink® service, you can also consolidate all of your brokerage accounts on a single summary statement and view the complete net worth of each account or your entire household. By giving you fingertip access to account information, Corestone helps you make more informed choices about your finances.

A Range of Choices to Fit Your Needs

Whether you are just starting to build wealth, or already hold a large portfolio, you can find the right package of features—all included in one account. You can upgrade your benefits at any time to get the best value from Corestone.

Protection for Your Assets

Securities Investor Protection Corporation (SIPC®) Coverage

Pershing is a member of SIPC, which protects securities customers of its members up to \$500,000 (including \$250,000 for claims for cash). Explanatory brochure available upon request or at sipc.org.

Excess of SIPC Coverage Through Underwriters at Lloyd's and Other Commercial Insurers

In addition to SIPC protection, Pershing provides coverage in excess of SIPC limits from certain underwriters in Lloyd's insurance market and other commercial insurers. The excess of SIPC coverage is valid through February 10, 2016 for Pershing LLC accounts. It provides the following protection for Pershing LLC's global client assets:

- > An aggregate loss limit of \$1 billion for eligible securities—over all client accounts
- > A per-client loss limit of \$1.9 million for cash awaiting reinvestment—within the aggregate loss limit of \$1 billion

SIPC and the excess of SIPC coverage do not protect against loss due to market fluctuation.

An excess of SIPC claim would only arise if Pershing failed financially and client assets for covered accounts—as defined by SIPC—cannot be located due to theft, misplacement, destruction, burglary, robbery, embezzlement, abstraction, failure to obtain or maintain possession or control of client securities, or to maintain the special reserve bank account required by applicable rules.

Lloyd's currently holds an A+ rating from Standard & Poor's® (S&P®), an A rating from A.M. Best and an AA- rating from Fitch. These ratings are based on the financial strength of the company and are subject to change by the rating agencies at any time.⁵ For more information about Lloyd's, please see www.lloyds.com.
