### Roger Tadsen

Roger has been a Financial Representative since 1982, following a 15-year career in education as a teacher and coach at Richfield High School in Richfield, Minnesota. In 2002, he became one of the original partners at Northland Securities. He specializes in tax-advantaged investments with a focus on higher-yielding tax-free municipal bonds. He also has experience helping his clients navigate through the 1031 real estate exchange process, which may avoid capital gains taxes on appreciated real estate sales. Roger received his Bachelor's Degree from the University of Minnesota and his Masters of Education Degree from Penn State University. He also holds the FINRA Series 7 General Securities Representative and Series 63 Uniform Securities Agent State Law registrations. He has been married to his wonderful wife, Sharon, for 51 years, and they have three sons and three exceptional grandchildren. In his free time, he enjoys hunting, fishing, and spending time at his cabin on Sullivan Lake in Northern Minnesota.

### Janet Tracy

Janet has the knowledge and skills which allow her to assist Team Tadsen clients with any questions or client service needs. Janet has been in the brokerage industry since 1983 and has experience in all the different aspects of the retail branch setting. She obtained her Series 7 registration in 1992 and also has held a Minnesota Life Insurance license since 2006. She has been married to her husband, John, for over 30 years and they reside in Ramsey, MN. They have two grown daughters, Cassandra and Nicole. When not working, she enjoys Sudoku puzzles, reading, and visiting their cabin up on Sauk Lake in Sauk Centre, Minnesota.

### Kyle Johnson

Kyle joined Northland Securities in 2018, following a 12-year career in Social Services, where he worked in many areas for both government and nonprofit organizations. His career mostly focused on working with adults and children with developmental disabilities. Kyle grew up in Bloomington, Minnesota, and joined a long line of family members who graduated from Gustavus Adolphus College in Saint Peter, Minnesota, including a great-grandfather who graduated in 1901. He holds the FINRA Series 7 General Securities Representative and Series 66 Uniform Combined State Law registrations, and a Minnesota Life insurance producer license.
