As Placement Agent

Northland Networks has recently closed a healthcare refinancing loan. The financing was for an Acute Care Hospital Facility in Melrose Park, Illinois.

Despite economic volatility and rising Interest Rates, Northland Networks continues to be successful in closing healthcare financing deals. We partner with quality borrowers that have strong guarantees and are well collateralized. This makes working with Northland a smart choice for any lender looking for attractive yields and diversification benefits within the healthcare space.

Please reach out for more information about Northland Networks or if you would like to see our current loan participations.
