

Northland Networks is pleased to have successfully placed a portion of the following loan originated by one of our many lending partners:

Refinancing Loan La Quinta Inn Albuquerque, New Mexico

Northland Networks, acting as Placement Agent for a mid-sized Colorado bank, has successfully placed a portion of a Refinancing Loan of a La Quinta Inn in Albuquerque.

Despite economic volatility and high Interest Rates, Northland Networks continues to be successful in closing Commercial Real Estate deals. We partner with quality, well run lending institutions and strong borrowers that are well collateralized. This makes working with Northland a smart choice for any lender looking to buy or sell any type of loan, especially Commercial Real Estate.

Please reach out for more information about Northland Networks or if you would like to see our current loan participations.
